

BE THE DIFFERENCE!

MAKING A DIFFERENCE AS FINANCE MANAGER

As the finance manager (formerly district treasurer), you are tasked with the fiscal oversight and management of the district. The finance manager works closely with the district director and staff to ensure that the district is making cost effective decisions—within policy—that result in effective fiscal management. The finance manager should have knowledge of accounting and be acquainted with the handling of financial matters

I have compiled a list of what I consider the most valuable resources and links to help you get off to a great start. Here's a resource that you should have with you all the time:
